Dear Seven Hills Skydivers,

Congratulations! The readers of Blue Skies Mag have spoken and declared Seven Hills to be the best Cessna Drop Zone.

Thanks for being such a fantastic place for skydivers to play, be themselves, enjoy the sky and live the dream. Enclosed are some framed certificates and copies of the issue with all voting results. We hope they're a nice pat on the back and a point of pride for the entire Seven Hills community.

Here's to more sun, blue skies and Jet-A in 2011!

Blue Skies,
Kolla, Lara & Pierre
